

On Saturday 12/3/22, FMS Band took 77 students to the Region 29/32 ATSSB Region Middle School Auditions. Out of those 77 students, 52 students made the All-Region band. Out of all the schools attending, Fredericksburg Middle School had the most students qualify! These students will be participating in the ATSSB Middle School Clinic and Concert on Saturday 1/21/23. This is a day-long event where the best middle school players in the entire region come together, rehearse, and perform music that they've never rehearsed together before. Out of all the students attending the clinic and concert, 30% of those students will be from Fredericksburg! Please congratulate the following students on this amazing accomplishment!
