

FISD 2021-2022 School Year

Job Positions Eligible to Telework District Wide

Note: The individual employee job positions listed below are allowed to Telework if the employee tests positive for COVID-19. No other reason is allowed. The employee must provide documentation of a positive COVID-19 test result to their supervisor. The employee must notify their supervisor if they choose to telework while they are in quarantine. The supervisor must be notified of the dates telework will be in effect. All of these eligible employees will sign only one telework agreement which is for the fall semester of 2021. The last day an employee is eligible for telework is Friday, December 17, 2021. If an employee does not have internet and computer access at their home they are not eligible for telework. No FISD employee is forced to telework it is their option.
