

COVID-19 Diagnosis/Exposure Response Protocol

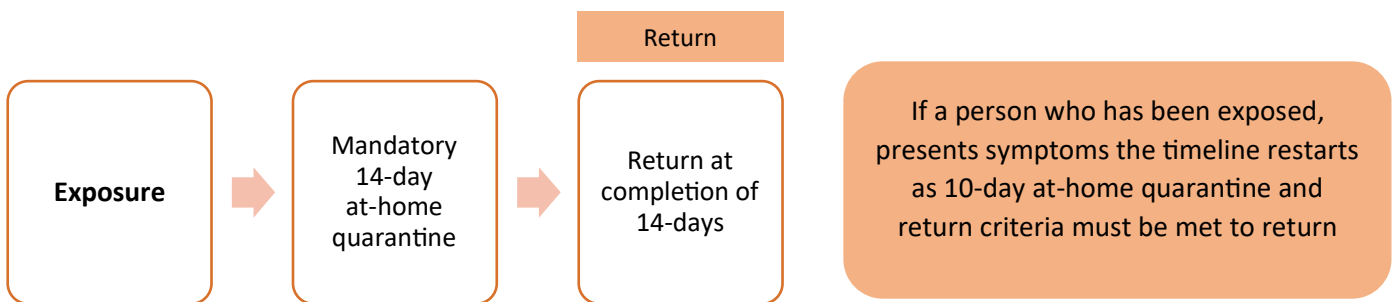

Symptomatic: A student/employee exhibiting symptoms associated with COVID-19 will be sent home immediately or denied entrance to the building.

Confirmed Diagnosis: A student/employee or a member of their household has a confirmed diagnosis of COVID-19 from a certified testing location or by a treating physician.

Exposure: Exposure would include proximity (within 6 ft.) to a person with a confirmed diagnosis of COVID-19 for a period of more than 15 min. with or without a face mask.
