

FISD Bond Steering Committee Meeting 4 Notes

Meeting 3 recap and Q&A from Meeting 3

Jill Minshew recapped the school finance and tax rate information with a graphic depicting where monies come from and where they can be spent.

Jason Scott from Huckabee gave detailed breakdown of each of the three options identified in meeting 3:

1. New site, new school
2. Existing site, new school
3. Existing site, additions and renovations

Casey Annunzio from Huckabee then discussed the factors at play when deciding between new construction and renovation and the pros and cons of each.

Suzanne Marchman then lead the committee through a group prioritization exercise where they were broken into groups of four to rate each of the three options based on the following four criteria:

1. Benefit to students
2. Existing Building Considerations
3. Cost Considerations and Value
4. Benefit to Community

The completed prioritization sheets were returned and results will be discussed in detail at Meeting 5.

Last, the revised timeline and community survey was discussed and is as follows:
